## MEMORANDUM

| To: | Administration and Finance Committee |
| :--- | :--- |
| From: | Mindy Munn, Director of Finance |
| Date: | January 12, 2018 |
| Agenda Item: | VII. A. Consider Increasing Competitive Bid Requirement and Purchasing Authority for |
|  | Executive Director |

## Staff Recommendation:

Staff recommends that the Committee approve the increase in the competitive bid requirement from $\$ 20,000$ to $\$ 25,000$ and raise the purchasing authority of the Executive Director to $\$ 25,000$.

## Background and Analysis:

Effective August 12, 2016, Public Act 99-0771, raised the sealed bid requirement from $\$ 20,000$ to $\$ 25,000$. Increasing the purchasing threshold will improve the efficiency of our purchasing process as well as save the District the cost of advertising and preparing formal bid documentation for projects that currently fall between \$20,000-\$25,000.

To further expedite purchases, we also recommend that the purchasing authority of the Executive Director be raised from $\$ 20,000$ to $\$ 25,000$. This would mean that purchases, contractual arrangements, change orders and budget extensions would need to exceed $\$ 25,000$ before they would require separate Board action. Board review and approval for all payments would continue to occur through the voucher review process.

## Draft Motion:

The Administration and Finance Committee Chair moves to approve increasing the competitive bid requirement and the purchasing authority of the Executive Director from $\$ 20,000$ to $\$ 25,000$ to the full Board for approval.

VII. B. Consider Bus Transportation Services Contract Renewal, Bid \#2098

## Staff Recommendation:

Staff recommends the approval of the Bus Transportation Services contract with First Student, Inc. of Naperville, IL in the amount not to exceed $\$ 63,675$ for the option of year three.

## Background \& Analysis:

The Park District contracts school bus transportation for summer day camps, Adventure Campus afterschool programs, days-off school programming, related extended care programs and occasional miscellaneous programs. The bid does not include specialty buses for Senior Center programming or Synchronized Skating travel to competitions. In these cases, comparative quotes are used to secure competitive pricing.

The Bus Transportation Services bid opening was held on Thursday, April 7, 2016 and proposals were received from two transportation companies. The companies submitting proposals include First Student, Inc. and Olson Transportation, Inc. Their proposals are listed below:

| Company | 2016 |  | 2017 |  | 2018 |  |
| :--- | :---: | :---: | :---: | :---: | :---: | :---: |
|  | Daily | Hourly | Daily | Hourly | Daily | Hourly |
| First Student, Inc. <br> Naperville, IL | $\$ 245$ | $\$ 42.50$ | $\$ 250$ | $\$ 43.75$ | $\$ 257.50$ | $\$ 45$ |
| Olson Transportation, Inc. <br> Gurnee, IL | $\$ 351$ | $\$ 41$ | $\$ 354$ | $\$ 43$ | $\$ 358$ | $\$ 45$ |

First Student, Inc. is currently providing transportation services to the District and staff has been satisfied with their performance. Year three extends until May of 2019. Staff will request an amount not to exceed in December 2018 for the start of the 2019 budget and simultaneously prepare the District to bid a new contract that matches the District's fiscal year.

## MEMORANDUM

| To: | Administration \& Finance Committee |
| :--- | :--- |
| From: | Laurel Hall, Human Resources Manager |
| Date: | January 15, 2018 |
| Agenda Item: | VII. C. Consider Ordinance 18-O-1, Ordinance Approving Northbrook Park District Amended |
|  | Sexual Harassment Policy |

## Staff Recommendation:

Staff recommends the Committee approve Ordinance 18-O-1 and forward to the full Board for approval January 24, 2018.

## Background \& Analysis:

Revisions have been made to the current Policy Against Harassment, Section 1.3 in the Employee Handbook, per legislation signed into law on November 16, 2017, by Governor Rauner which amended requirements pertaining to sexual harassment.

The Illinois State Officials and Employees Ethics Act was amended to require units of local government to institute an anti-harassment policy to adopt an ordinance or resolution by January 15,2018 , that includes, at a minimum, the following:

- A prohibition on sexual harassment;
- Details on how an individual can report an allegation of sexual harassment, including options for making a confidential report to a supervisor, ethics officer, Inspector General, or the Department of Human Rights;
- A prohibition on retaliation for reporting sexual harassment allegations, including availability of whistleblower protections under the Ethics Act, the Whistleblower Act, and the Illinois Human Rights Act; and
- The consequences for a violation of the prohibition on sexual harassment and the consequences for knowingly making a false report.

The current Sexual Harassment Policy is revised to include new language based on the new legislation. The District worked with Nicole Karas, Attorney at Robbins Schwartz, to amend the policy.

## Draft Motion:

The Administration \& Finance Committee Chair moves to approve the Policy revision, to the full Board for approval.

## EXHIBIT NO. 1

## NORTHBROOK PARK DISTRICT SEXUAL-HARASSMENT POLICY

## Policy Against Harassment

The Northbrook Park District is committed to creating and sustaining a work environment in which each employee has the opportunity to grow, develop and contribute fully to our success. Accordingly, the Park District will not tolerate harassment or intimidation of any employee, patron or volunteer based on sex, race, color, religion, age, national origin, disability, ancestry, veteran status, pregnancy, child birth or related medical condition, sexual orientation, gender, gender expression, gender identity, marital status, parental status, military discharge civil union partnership, arrest records or for any other status protected by federal, state or local law. Our Policy extends to discriminatory harassment or intimidation by another Park District employee or by a patron, volunteer, vendor, contractor, customer, elected official, or other business partner, regardless of the identity, position or gender of the harasser or victim. This Policy applies to conduct on all Park District property as well as areas off Park District property, where an employee typically performs or is performing job related duties.

## Harassment Defined

Discriminatory harassment is conduct that creates a hostile working environment as a result of severe and pervasive harassment based upon an individual's sex, race, color, religion, age, national origin, disability, ancestry, veteran status, pregnancy, gender, gender expression, gender identity, sexual orientation, marital status, parental status, military discharge civil union partnership, arrest records or for any other status protected by federal, state or local law. A hostile working environment is one which a reasonable person would find so offensive as to alter the terms and conditions of that individual's employment. The Park District prohibits all forms of harassing conduct which cause, constitute or could lead to a discriminatory hostile working environment.

Furthermore, supervisors, managers and other decision-makers are prohibited from making any tangible employment decisions (hiring, firing, promotion, wage adjustments, etc.) based upon an employee's response to sexual advances, sexual harassment or any other discriminatory harassment.

## Sexual Harassment

Sexual harassment includes unwelcome sexual advances, request for sexual favors, verbal or physical conduct of a sexual nature and other harassing conduct based upon the victim's sex when submission to the conduct is made either implicitly or explicitly a term or condition of employment, the conduct is sufficiently severe and pervasive to alter the terms and conditions of a reasonable person's employment, or the harassment has the purpose or effect of interfering with the employee's work performance or creating an environment that is intimidating, hostile, or offensive to the employee.

Whether specific conduct will constitute discriminatory sexual harassment as defined by law depends upon the particular circumstances of the situation; however, for the purposes of this Policy, the following are some examples of conduct which may constitute prohibited sexual harassment:

Verbal Sexual Harassment: Offensive or vulgar comments regarding a person's gender or directed at an individual because of that person's gender; sexually vulgar language; offensive jokes of a sexual nature; remarks about a person's genderrelated physical anatomy or characteristics; sexual propositions or intimidation; threats of physical harm for a sexual purpose.

Physical Sexual Harassment: Unwelcome touching of another person; touching another person in a sexually suggestive way, slapping, pinching or grabbing another person's breasts, genital areas or buttocks; sexual assault; intimidating conduct, such as blocking a person's movements, directed at an individual because of that person's gender.

Visual Sexual Harassment: Distributing or displaying nude pictures or other written or graphic sexual materials in the workplace; distribution or displaying nudity or sexually-oriented graphics on computer terminals, including offensive or inappropriate e-mail messages, screen savers or downloads from the Internet; offensive or sexually vulgar gestures, such as grabbing one's genitals, etc.
(d) Textual/Electronic: "Sexting" (electronically sending messages with sexual conduct, including pictures and video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

Sexual harassment does not refer to compliments of a socially acceptable nature or to acts that usually are considered non-offensive or acceptable by most people. However, actions that seem harmless or amusing to some employees may be offensive to others. Actions that may be overlooked away from work may cause sexual harassment complaints if they occur on the job.

## Other Forms of Discriminatory Harassment

Discriminatory harassment towards employees, based upon sex, race, color, religion, age, national origin, disability, ancestry, veteran status, pregnancy, child birth or related medical condition, sexual orientation, gender, gender expression, gender identity, marital status, parental status, military discharge civil union partnership, arrest records or other protected traits is unacceptable conduct and will not be tolerated. Whether specific conduct will constitute discriminatory harassment as defined by law depends upon the particular circumstances of the situation; however, for purposes of this Policy, the following are some examples of conduct which may constitute discriminatory harassment: using racial, religious or ethnic slurs; using other language including telling jokes, that would reasonably offend an individual because of his/her race, color, religion, sex, sexual orientation, civil union partnership, age, national origin, disability or any other characteristic protected by law;
distributing or displaying any materials that would reasonably offend an individual because of his/her sex, race, color, religion, age, national origin, disability, ancestry, veteran status, pregnancy, child birth or related medical condition, sexual orientation, gender, gender expression, gender identity, marital status, parental status, military discharge civil union partnership, arrest records or any other characteristic protected by law; displaying symbols, pictures, cartoons, posters or graphic materials that would reasonably offend an individual because of his/her race, color, religion, sex, sexual orientation, civil union partnership, age, national origin, disability or any other characteristic protected by law; offensive verbal or physical harassment directed at an individual due to that individual's sex, race, color, religion, age, national origin, disability, ancestry, veteran status, pregnancy, child birth or related medical condition, sexual orientation, gender, gender expression, gender identity, marital status, parental status, military discharge civil union partnership, arrest record.

## Reporting Procedures

The Park District strongly urges the reporting of all incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment discrimination, or retaliation.

The availability of this reporting procedure does not preclude individuals who believe they are being subjected to harassing, discriminatory or retaliatory conduct from promptly advising the offender that his behavior is unwelcome and requesting that it be discontinued. However, nothing in this policy shall require individuals who believe they are being subjected to harassing, discriminatory, or retaliatory behavior to so advise the offender.

If you experience or witness harassment, discrimination, or retaliation of any kind, you should deal with the incident(s) as directly and immediately as possible by clearly communicating your position to the offending person, your immediate supervisor, your Department Head or Division Director, Human Resources, and/or the Executive Director. You should also document each incident (what was said or done, by whom, the date, time and place, and any witnesses to the incident). Written records such as letters, notes, memos, texts, social media postings, tweets, e-mails, and telephone messages can strengthen documentation. It is not necessary that the harassment be directed at you to make a complaint.

Your response to harassment in the workplace may include any or all of the following steps:
Direct Communication with Offender: The Park District encourages individuals who believe they are experiencing or witnessing harassing, discriminatory or retaliatory behavior in the workplace, if the individual feels comfortable doing so, to promptly notify the offender that his behavior is objectionable. If you are the harassed employee, if you feel comfortable doing so, you should clearly state that the conduct is unwelcome and the offending behavior must stop. However, you are not required to directly confront the person who is the source of your report, question, or complaint before notifying any of the individuals listed below. Further, you are not required to directly confront the person who is the source of your report, question, or complaint if you feel uncomfortable doing
so. The initial notification may be oral or written, but documentation of the notice should be made. If subsequent notification is needed, it should be put, in writing.

Report to Supervisory Personnel and/or Human Resources: At the same time the above direct communication with the offender is undertaken, or in the event you feel threatened or intimidated by the offending person, you should promptly report the offending behavior to your immediate supervisor, Department Head, Division Director or the Human Resources Department. If you feel uncomfortable doing so, or if your immediate supervisor and/or Department Head is the source of the problem, report directly to the Human Resources Department or to any other manager or supervisor with whom you feel comfortable discussing the situation.

Report to the Executive Director: An employee may also report incidents of harassment discrimination or retaliation directly to the Executive Director. If your complaint alleges discrimination, harassment or retaliation by the Executive Director, or if the Executive Director condones the problem or ignores the problem, you should immediately report the incident or incidents, in writing, directly to the President of the Board of Park Commissioners.

Employees who have experienced conduct they believe is contrary to this Policy have an obligation to take advantage of this reporting procedure.

If you have been offended by harassing or offensive conduct which you feel is inappropriate, but is not sufficiently severe and pervasive to constitute a discriminatory hostile work environment, and you are comfortable doing so, you should politely, but firmly confront the individual engaging in the conduct, indicate that the conduct is not welcome and ask the individual to stop. If you are not comfortable doing so, or if the conduct persists, you should notify your supervisor or Human Resources.

Nothing in this policy precludes a report of discrimination, harassment, or retaliation to the Illinois Department of Human Rights, which is the State agency responsible for enforcing the Illinois Human Rights Act. Further, the IDHR maintains a hotline for confidential reports of sexual harassment.

## Retaliation is Prohibited

The Park District prohibits retaliation against any individual who reports discrimination, harassment, or retaliation participates in an investigation of such reports, or files a charge of discrimination, harassment, or retaliation. Retaliation against an individual for reporting harassment or discrimination, for participating in an investigation of a claim of harassment, discrimination, or retaliation or for filing a charge of discrimination, harassment, or retaliation is a serious violation of this Policy and, like harassment or discrimination itself, will be subject to disciplinary action, up to and including discharge.

## Responsibility of Supervisors and Managers

Any manager or supervisor who receives an employee complaint of discrimination, harassment or retaliation or otherwise becomes aware of discrimination, harassment or retaliation in the workplace, must immediately report the harassment to the Human Resources Department or to the Executive Director.

## Investigation Procedures

Any reported allegations of harassment, discrimination or retaliation will be investigated promptly. Information concerning any such complaints will be treated with the appropriate confidentiality. However, it is impossible to guarantee absolute confidentiality, as the District must be able to fully investigate and take prompt remedial action when necessary. Of course, management personnel needed to participate in the investigation, the alleged harasser and any witnesses may be contacted during the investigation and, thereby, learn of the complaint. Discussion of the complaint or the results of the investigation will be limited to those necessary to conduct the investigation, to take any appropriate remedial measures, to administer and manage the Park District's Policy Against Harassment and to comply with any applicable federal, state or local laws.

## Responsive Action/Remedial Measures

After investigation, the District will determine whether a complaint of harassment, discrimination or retaliation has been substantiated based on a review of the facts and circumstances of each situation. Misconduct constituting harassment, discrimination or retaliation will be dealt with appropriately. Responsive action may include, for example, training, referral to counseling and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as the Park District believes appropriate under the circumstances.

## Allegations Against Non-Employees/Third Parties

If you make a complaint alleging harassment, discrimination, or retaliation against an agent, vendor, supplier, contractor, volunteer or person using Park District programs or facilities, the Executive Director or his/her designee will investigate the incident(s) and determine the appropriate action, if any. If appropriate, the Park District will make a reasonable effort to protect you from further contact with such persons. Please recognize, however, that the Park District has limited control over the actions of non-employees.

## False and Frivolous Complaints

False and frivolous charges refer to cases where the accuser is using a harassment, discrimination or retaliation complaint to accomplish some end other than stopping harassment, discrimination or retaliation. This does not include charges made in good faith, but cannot be proven. Given the seriousness of the consequences for the accused, making a false and frivolous charge or making a complaint in bad faith is a severe offense that can result in disciplinary action.

## Filing Complaints Outside the Park District

While we hope to be able to resolve any complaints of discrimination, sexual or other harassment, or retaliation within the Park District, we acknowledge your right to contact the Illinois Department of Human Rights (IDHR) at the James R. Thompson Center, 100 West Randolph Street, Suite 10-100, Chicago, Illinois 60601, (312) 814-6200, (TDD 312-263-1579) and/or the United States Equal Employment Opportunity Commission (EEOC) 1-800-669-4000 (TDD 1-800-669-6820), about filing a formal charge. The IDHR also has a reporting hotline, which includes a method for the intake of anonymous phone calls regarding allegations of sexual harassment. A charge with the IDHR must be filed within 180 days of the incident of discrimination or harassment. A charge with the EEOC must be filed within 300 days of the incident.

# MEMORANDUM 

To:<br>From:<br>Administration and Finance Committee<br>Mindy Munn, Director of Finance<br>Date: January 12, 2018<br>Agenda Item: VII. D. Consider 2018 Staff and Participant Apparel, Bid \#2138

## Staff Recommendation:

Staff recommends rejecting the bid from Ad-Wear and Specialty of Texas and approving the bid from Arena Sports USA for Categories A, B, F, H, I \& J of the 2018 Staff and Participant Apparel Bid \#2138 in the amount of \$34,810.15.

## Background \& Analysis:

The 2018 Staff and Participant Apparel Bid \#2138 includes orders for all District apparel that will be delivered during the 2018 fiscal year, as well as soccer uniform sets to be delivered in fall 2018, spring 2019, fall 2019 and spring 2020. The only items exempt from this bid are some full-time/part-time IMRF apparel items, apparel for programs/events that develop after the bid manual was released, and specialized apparel (i.e., ice skating costumes).

Bid specifications were sent to 29 companies with nine submitting the bids listed on the attached Bid Summary.
The four vendors listed below submitted the lowest, responsible bid per category. Staff recommends awarding portions of the bid to the four vendors below:

| Company | Categories to Award | Total \# of Categories <br> to Award | Total Amounts |
| :--- | :---: | :---: | :---: |
| Added Incentives, Inc. | E | 1 | $\$ 5,154,42$ |
| Arena Sports USA | A, B, F, H, I \& J | 6 | $\$ 34,810.15$ |
| Sharp Sports | C | 1 | $\$ 1,244.01$ |
| Sunburst Sportswear, Inc. | D \& G | 2 | $\$ 12,300.24$ |
| TOTAL BID: |  | $\underline{10}$ | $\$ 53,508.82$ |

It is important to note that Score Sports initially appeared to be the low bidder for Category H (Soccer Uniforms), but upon further inspection staff discovered that the vendor had not provided pricing for all four seasons, per the bid specifications. The next lowest bidder for the category is Ad-Wear and Specialty of Texas.

Ad-Wear and Specialty of Texas is the apparent low bidder for four of the bid categories (Categories A, E, F and I). As previously mentioned, Ad-Wear is also the second lowest bidder for Category H (Soccer Uniforms). Upon staff request, Ad-Wear and Specialty of Texas provided six additional references, as none of the original references were from parks and recreation agencies. Overall, the references were positive. However, the District worked with Ad-Wear on the 2015 Apparel Bid and had multiple documented issues with quality, communication, timeliness, order accuracy and billing. Additionally, during a reference check for another potential 2018 vendor, staff learned that the Naperville Park District experienced poor communication and product quality, which led to the termination of their contract with Ad-Wear. Therefore, the Northbrook Park District's legal counsel supports the staff recommendation to reject the bid from Ad-Wear and Specialty of Texas and move on to the next lowest, responsible bidders.

## NORTHBROOK PARK DISTRICT

Arena Sports USA is the lowest, responsible bidder for six categories of the bid. The District awarded Arena Sports five categories of the 2017 Apparel Bid and experienced good communication and quality apparel. Arena Sports also delivered all orders on-time or even earlier than promised. Furthermore, all references for Arena Sports were positive for communication, quality and timeliness. Therefore, staff recommends that the Board award the following six categories of the 2018 Apparel Bid to Arena Sports USA, in the amount of $\$ 34,810.15$ : Category A (Aquatic Staff Apparel); Category B (Basketball Jerseys); Category F (Hockey Training Academy Jerseys); Category H (Soccer Uniforms); Category I (Summer Camp Apparel - Staff \& Participant); and Category J (Women's Mixer Hockey League Jerseys).

References were positive for the other three low bidders: Added Incentives, Inc., Sharp Sports and Sunburst Sportswear, Inc. Additionally, the District had positive experiences in the past with Sharp Sports and Sunburst Sportswear. While the District has not yet worked with Added Incentives, Inc., their references all reported positive experiences. No action is required from the Board regarding these three vendor contracts.

## Explanation:

The cost of participant apparel is included in registration fees. Staff and participant apparel will be included in the budget for FY 2018 in individual program and facility budgets. The cost of soccer uniforms will be included in the budget for FY 2018, 2019 and 2020.

## Draft Motion:

The Administration \& Finance Committee Chair moves to reject the bid from Ad-Wear and Specialty of Texas and approve the bid from Arena Sports for Categories A, B, F, H, I \& J of the 2018 Staff and Participant Apparel Bid in the amount of $\$ 34,810.15$ to the full Board for approval.

# MEMORANDUM 

| To: | Administration and Finance Committee |
| :--- | :--- |
| From: | Mindy Munn, Director of Finance |
| Date: | January 12, 2018 |
| Agenda Item: | VII. E. Consider Full-time Non-Bargaining Unit Merit and Discretionary Pools for |
|  | 2018 Fiscal Year |

## Staff Recommendation:

Staff recommends a $2 \%$ merit and a 1.25\% discretionary pool for non-bargaining unit staff for Fiscal Year 2018.

## Background and Analysis:

Each year staff presents a merit and discretionary pool recommendation to the Board of Commissioners based on a 12 -month period. In previous years, the District has aligned merit increases with the annual budget year which started May 1. With the District's budget now operating on a calendar year, we will also need to align merit increases to match the calendar year. To transition to a calendar year, staff is recommending an 8 -month merit period (May - December 2018) this year with the full calendar year going into effect in 2019. Here's what that would look like:

| Timing-Staff Recommendation | Period Covered | Proposed Merit | \# of Months \% is Based |
| :--- | :--- | :---: | :---: |
| January 2018 | May 1, 2018-Dec 31, 2018 | $2 \%$ | 8 |
| Fall 2019 | Jan 1, 2019-Dec 31, 2019 | TBD | 12 |

Had the merit period covered 12 months instead of 8 , staff's 2018 merit recommendation would have been $3 \%$.

The recommended increase for will affect 49 full-time, non-bargaining unit positions. The District has 73 full-time positions comprised of 21 bargaining unit staff and 49 non-bargaining unit staff with 3 current open positions. The proposed increases will have a $\$ 66,130$ (merit) and $\$ 41,331$ (discretionary pool) impact on the 2018 fiscal year budget.

Distribution of merit and discretionary pools are based on work performance and the execution of annual work plans. It is important to note that approval of the recommended pools does not guarantee that all funds will be spent or that all staff will receive an increase.

## Draft Motion:

The Administration and Finance Committee Chair moves to approve a merit pool in the amount of $\$ 66,130$ and a discretionary pool in the amount of $\$ 41,331$ for full-time non-bargaining unit staff for the 2018 fiscal year to the full board for approval.

# MEMORANDUM 

To: Board of Commissioners<br>From: Molly Hamer, Executive Director<br>Date: January 12, 2018<br>Agenda Item: VII. F. Consider Rethync Studio LLC Agreement

## Staff Recommendation:

Staff recommends the approval of Independent Contract Agreement with Rethync Studio LLC for Information Technology Services.

## Background \& Analysis:

With the vacancy of the Information Technology and Staff Development Director, staff had an opportunity to evaluate the IT needs of the District. Analysis reveals that outsourcing portions of the high level IT services is a viable solution. This option is cost effective while providing service excellence, continuity, and continued execution of district goals. Staff will closely monitor the effectiveness of the new structure to ensure the needs of the organization are being met.

## Explanation:

1. Budgeted Cost: $\$ 40,000.00$
2. Budget Source: Independent Contractor Services
3. Legal Requirement: None

Motion: The Chair of the Administration and Finance Committee moves to approve Rethync Studio LLC agreement for an amount not to exceed $\$ 40,000$ to the full Board for approval.
