QUESTIONS? CALL 847-291-2993

Camp Details

We are committed to providing a variety of safe, active learning opportunities that promote teamwork, friendship and fun. Through individual successes and team activities, campers develop a stronger sense of self-confidence, while creating memories that can last a lifetime. Families will receive an email with the Camp Parent Handbook and packet with detailed information in May.

Camp Locations

We partner with area school districts to host our Summer Camps. Camp locations will be finalized in the spring.

Camper Groups

Camp groups are formed by age/grade and school. We try to keep an even number of boys and girls. Friendship requests are not available. Children in the same camp will have the opportunity to hang out with their friends in other groups during the day.

Hot Lunch Program

Families have the option of ordering lunches for campers through Kiddos Catering. In early May, parents/guardians will receive a camp packet with details about the program, menu choices and ordering instructions. Summer Warm-Up, Hockey Training Academy, Awesome August and Zombie Camp are not included in the hot lunch program due to shorter days and changing schedules.

NSSRA – Inclusion Services

The Park District partners with the Northern Suburban Special Recreation Association (NSSRA) to offer recreation programs and services to residents of all abilities. NSSRA support staff is available to work alongside program participants, assisting with special needs and behavior. Participants requesting support are encouraged to register early and should check the ADA box during registration. Call 847-291-2995 to discuss your camper's needs, discuss support options and request additional support.

Residency

Some Village of Northbrook residents are not residents of the Northbrook Park District. Non-residents are charged a slightly higher fee. If you have questions about residency, call one of our registration offices.

Waiting Lists

If the camp you want is full, we encourage you to place your child on a waiting list. Your child can only be on one waitlist per week/session. We will call you if space becomes available and will require payment within 24 hours of notification to confirm enrollment.

Transfers

We recognize that some campers may need to change their enrollment due to scheduling conflicts. Transfer requests will be granted only if the desired program has openings.

Payment Plan

Payment plans are available for all camps. No need to call our office, simply register at nbparks.org to utilize the payment plan. If the available payment plan does not work for you, give us a call. All balances must be paid in full before the start of the program.

Refunds/Withdrawal Fees

Refunds are subject to an administrative fee of 10% of the program cost. If the original purchase was charged with a credit card, the refund will be placed on that card. If payment was with cash or a check, a refund check will be mailed within two weeks.

Are You Covered?

The Northbrook Park District does not carry medical or accident insurance for program participants as the cost would make program fees prohibitive. Participants should review their personal health insurance plan to be sure you and your family have proper coverage. The absence of coverage does not make the Park District automatically responsible for payment of medical expenses. In addition, certain higher-risk activities require a separate waiver which must be signed before the first session.

Text Message Alerts

We will communicate urgent information via text messaging. Parents/guardians are encouraged to provide a cell phone number when registering and on any supplemental forms. This number will be used to communicate important last-minute information such as late buses or inclement weather. Not all programs use text messaging. Details will be available in the Parent Handbook and reviewed at Parent/Guardian Orientation.

FLEX YOUR SCHEDULE ALL SUMMER LONG

We allow families the flexibility of à la carte weekly registration for most camps! Pick and choose the weeks you want to accommodate your family's busy summer schedule. We have half-day options for ages 3-5, full-day camps for ages 5-13 and one-week camps to fill your child's summer. The choices don't stop there. We also offer payment plans, Extended Care and a lunch program from Kiddos Catering.

Don't forget Extended Care. Registration for Extended Care is per week. See page 6 for registration information.

We are committed to providing a variety of safe, active learning opportunities that promote teamwork, friendship and fun. Through individual successes and team activities, campers develop a stronger sense of self-confidence while creating memories that can last a lifetime.

Camp groups are formed by age, school and/or ability. We try to keep an even ratio of boys and girls. Friendship requests are not available; children in the same camp will have the opportunity to be with their friends in other groups throughout the day.

Camp locations will be finalized in the spring and families will receive an e-mail with the Camp Parent Handbook and packet with detailed information in May.

ARTISTIC ADVENTURES

8-13 Years Old

Leisure Center

Promote a love of art by supporting your child's creative side with a camp that focuses on the fundamentals. Campers draw upon their imaginations as they learn to express their creativity with guidance from trained staff. Projects emphasize design, perspective and personal exploration, using a variety of media to create masterpieces. Individual attention enhances the learning process and promotes self-confidence at every level. At the end of each theme-based session, the budding artists display their creations at an art show for friends and family. The camp also includes art-related field trips each session, swimming and outdoor activities focusing on natural art. Staff to camper ratio is 1:10. Extended Care is available, see page 6 for details.

NGA YOUTH GOLF CAMP - LEVEL 3

Players learn how to manage the course strategically while enhancing fundamentals and shot-making skills. Structured practices incorporate skills challenges and competitions to develop skills under pressure. Video swing analysis and TrackMan system technologies assist instruction. Players practice at a local range, and play at nearby courses. Transportation is provided daily from Anetsberger Golf Course. Bring a lunch or pre-purchase lunch through kiddoscatering.com/npd. Extended Care is not available.

9-13 Years Old

NGA YOUTH GOLF CAMP - LEVEL 4

Players develop the skills needed to play competitive golf. Our tournament experienced staff covers the advanced short game and full swing techniques, as well as course management, green reading, pre-shot routines, shot selection, mental strategies, practice and scoring techniques. Players experience daily on-course play and instruction, as well as learn self-reflection techniques to improve future performance. In addition, our TrackMan system and video technologies assist with analyzing students' swings and equipment. Players take part in fun competitions and skills challenges throughout the week. Players practice at a local area range, and play at nearby courses. Transportation is provided daily from Anetsberger Golf Course. Bring a lunch or pre-purchase lunch through kiddoscatering.com/npd. Extended Care is not available.
