Fallin' into Fun

Welcome to Adventure Campus! We've had a lot of fun getting to know your kids these first weeks of school. We're starting to introduce more activities this month including Arts & Crafts, STEM, Gym games. We will still be going outside for free time as long as the weather is nice. Our current theme is Fallin' into Fun so we'll be doing a lot of nature & harvest activities. The kids also showed their royalty when they created their crowns last week.

Please remember to contact us (email or text) if your child will not be attending. The school's computer system doesn't talk to our computer system.

For the half day, if your kid is currently registered for Fridays, he/she is signed up to attend the extended hours.

If your kid is in AM care, please remember that we offer a small snack that is not enough for breakfast by itself. A lot of the kids have still been hungry in the morning.

If you have any questions or concerns please don't hesitate to contact me.

Heather 😊
