## DEAR WESCOTT FAMILIES,

Welcome to Adventure Campus! What an amazing start to the year! The children have been engaged in a wide range of activities from drawing and coloring to jewelry design and role play. From building blocks and magna-tiles to putting together incredible configurations. Good old-fashioned card and board games have also been a fan favorite over the past few weeks. The children also spend about an hour each day outside playing on the playground and engaging in a variety of different outdoor sports and games.

It has been wonderful to see the children collaborating and working together across different grade levels and using their imagination and incredible creative talent daily.

The Adventure Campus team at Wescott is very excited for the upcoming school year. We are looking forward to making this year an incredible one and can't wait to see the adventure the children lead us on. We feel so lucky to be able to spend time with each and everyone of your children and have been enjoying every minute!

If you have any questions, please do not hesitate to reach out either through email or the cell phone listed above.

Thank you,

The Wescott Adventure Campus Team (Sid, Jim, Hannah, Jordan, Sam, Nora P, Nora R, Bobbie, Jack, Matt, Shirel, Marco, Victoryia and Mallory)
