## DEAR HICKORY POINT FAMILIES

Hello!

Now officially entering the snowy and cold weather we do ask that you send your child with the proper winter gear! There will be days that we still have the students go outside, we only have them go outside if they have a winter jacket on and zipped up! If you would like to have your child wear other pieces of clothing such as hats, gloves, boots and etc... please send an email or text message or let one of the staff members know when you go to pick your child up!

A few monthly reminders:

1. When first entering Adventure Campus, the student are all given ample time to work on their homework and complete it.
2. Snack is provided daily when first entering Adventure Campus, if you child states they are still hungry you may send them with an extra peanut free snack for Adventure Campus.
3. Don't forget to sign up for the school's out winter break really fun and amazing fields trips. There will be staff there from all the schools and especially from this school!!!!!!! Haha!

With love,

The Adventure Campus Team!
