DEAR HICKORY POINT FAMILIES

Hello!

We have been having a blast at Adventure Campus this month!

If the weather permits, we will still try and go outside as often as we can. With the colder weather though, when being outside we make it a must that the students wear their jackets and fall/winter gear when outside. So, we do ask that each student is sent with the appropriate clothing to accommodate for the colder weather.

There had been a few questions regarding homework. At the start of Adventure Campus, we give the students up to 40 minutes to finish/do homework that is assigned that day. If needed, more time is given afterwards if the homework is not finished. If you would like your child not to do their homework during Adventure Campus, please let us know either via text/call or email!

On Wednesday, October 26th, we had a Halloween party that consisted of many fun games including bingo, tic-tac-toe, art crafts, much more and many prizes!

Please don't hesitate to reach out via email or through the site phone with any questions/concerns.
