REGISTRATION

Registration may be completed online or in person at the Sports Center. **Skaters must register for their current skating level at the time of registration.** All costumes are ordered specifically for the skater registered. No refunds or exchanges will be made once the costumes have been ordered.

The final deadline for both Tot-Free Skate 4 and Upper Level registrations is Monday, January 8. Costume orders are placed the next day and no orders will be taken after the registration deadline unless additional costumes are available. Late fees apply.

UPPER LEVEL REGISTRATION INFORMATION

Skaters in levels Free Skate 5 and above are able to participate in an Upper Level group number. Skaters will choose their costume size at registration. Following the deadline on **Monday, January 8**, specific groups will be established based on age and skating level. Skaters in an Upper Level are required to attend both dress rehearsals, tech night and all four performances. Icettes are not eligible for an Upper Level number in the show.

VOLUNTEERING

Skaters participating in an Upper Level group number are required to have a parent/guardian fulfill two volunteer shifts of roughly four hours each during production week. Shifts will be offered during dress rehearsals, tech night, sensory show and during performances.

Tot-Free Skate 4 families are not required to volunteer, but we still need your help! Northbrook-On-Ice relies on you and members of the community to assist with the production.

Volunteer registration will take place online starting Wednesday, February 28. Positions for family members may include locker and holding room attendants, Community Room & Multi-Purpose Room check-in, program sales, etc.

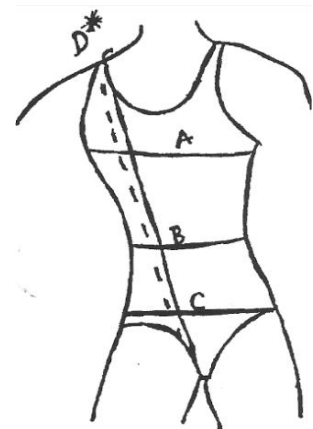

MEASURING YOUR SKATER

Parents/guardians are responsible for the final measurements. There are no refunds and/or exchanges on any costumes. Using the chart below, please measure your skater accurately and allow room for growth.

Keep in mind, your child may grow by May 2024!!

- A. Chest
- B. Waist
- C. Hips
- D. Girth (right shoulder through the crotch & back up to the right shoulder)*
- E. Inseam (Boys only)

****Girth is the most important measurement***

The number of rehearsals for each level have been adjusted to provide the most positive show experience possible. To ensure a great routine for all participants in your group, **please attend all scheduled rehearsals**. Parents/guardians are invited to watch these rehearsals. Skate rental charges apply. *Please see the last page for the rehearsal schedule.*

PICTURE DAY

Picture day is Saturday, April 13. All skaters participating in Northbrook-On-Ice are encouraged to attend!
