Northbrook Park District

These instructions explain how to download and use ActivateNB!, the District's new mobile app for Android and iPhone users. Call 847-897-6180 if you have questions or need assistance.

Step 1: Download the App

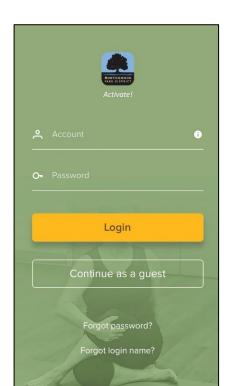

1. Download the ActivateNB! Mobile App from the following app stores:

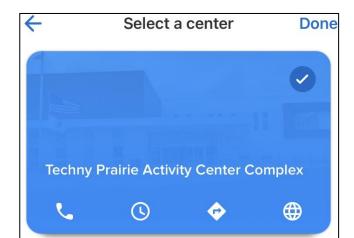

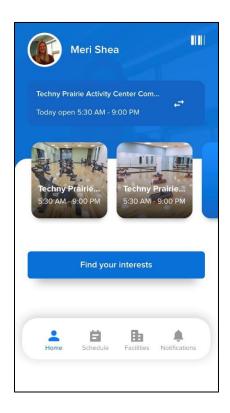

Step 2: Launch the App

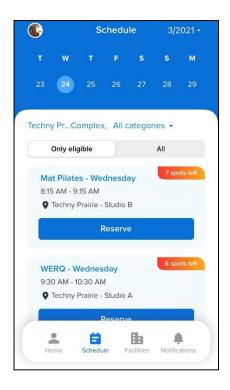

- 1. Select Notification Settings
- 2. Login in using your nbparks registration account
- 3. Select TPAC facility

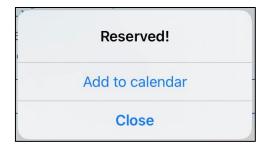

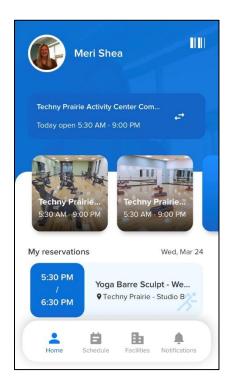

- 4. Access Home Page
- 5. Press Find your interests or Schedule to begin reserving

Step 3: Reserving Activities

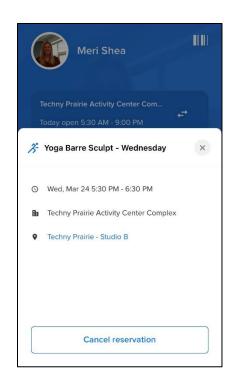

- 1. Select date/day
- 2. Scroll through offerings
- 3. Press Reserve on desired activity
- 4. Add to calendar if desired
- 5. Press OK to allow ActiveNB! App to access your calendar
- 6. Continue to add activities

7. Your reservations will appear on the home screen

Step 4: Canceling Activities

- 1. Select activity to cancel
- 2. Press Cancel Reservation
- 3. Confirm cancelation
- 4. Activity is removed from the reservation list
